

## Wufoo Terms of Service

Effective Date: December 15, 2015

### 1. Additional Terms

**1.1 Additional Terms.** These Wufoo Terms of Service (“**Wufoo Terms**”) are “Additional Terms” to the SurveyMonkey Terms of Use at <http://www.surveymonkey.com/mp/policy/terms-of-use> (“TOU”) and, together, they govern your use of Wufoo services, wufoo.com, and other Wufoo-branded websites and services (collectively, “**Wufoo**” or the “**Wufoo Services**”). Wufoo is a “Service” under the TOU.

**1.2 Acceptance.** In order to use Wufoo, you must first agree to these Wufoo Terms. You can accept these Wufoo Terms by clicking on the button which indicates your acceptance of them in the Wufoo user interface, or by actually using Wufoo. You understand and agree that SurveyMonkey deems your use of Wufoo as acceptance of these Wufoo Terms and the TOU.

**1.3 Modifications to the Wufoo Services and these Wufoo Terms.** SurveyMonkey may make changes to the materials and features of the Wufoo Services as permitted by the TOU. SurveyMonkey shall not be liable for any change, suspension or discontinuation of the Wufoo Services (or any part thereof). SurveyMonkey may change these Wufoo Terms as permitted by the TOU.

### 2. Subscriptions And Payment

In order to give you the best experience, we and our third party partners may use cookies and similar technologies, for example, to analyze usage and optimize our sites and services, personalize content, tailor and measure our marketing and to keep the site secure. Please visit our [privacy notice](#) for more information and our [cookies notice](#) for a list of cookies we use.

**2.1 Subscriptions.** Paid subscriptions to Wufoo (“**Wufoo Subscription**”) are “Subscriptions” under the TOU. This means that you will be billed in advance on a recurring, periodic basis. **Your Wufoo Subscription will automatically renew at the end of each billing cycle until you cancel your Wufoo Subscription through your account management page.** While we will be sad to see you go, you

**[Privacy Notice](#) [Our Cookies Notice](#)**

may cancel your Wufoo Subscription at any time, in which case your Wufoo Subscription will terminate immediately. However, there will be no refunds or credits for partial months remaining on your Wufoo Subscription or upgrade/downgrade refunds.

**2.2 Credit card details.** If you have elected to pay the fees for the Wufoo Subscription by credit card, you warrant that the credit card information you provide is correct and you shall promptly notify SurveyMonkey of any changes to such credit card information. You agree that if your credit card payment cannot be processed for any reason, SurveyMonkey may suspend or cancel your Wufoo Subscription.

**2.3 Downgrades. Downgrading your Wufoo account plan may cause the loss of content, features, or capacity of your account. To the extent permitted by applicable law, SurveyMonkey does not accept any liability for such losses.**

**2.4 Right of Withdrawal.** If you are located in certain European countries, you have a legal right to cancel Subscriptions within a certain period of time. For details, see the Wufoo Subscription Cancellation Policy and VAT Info (EU Only).

### **3. Your Wufoo Account And Responsibilities**

**3.1 No automated account registrations.** Accounts registered by “bots” or other automated methods are not permitted and are subject to termination.

**3.2 One free account per person.** You may only have one active, free Wufoo account at any time. Multiple Wufoo accounts for any person may be terminated by SurveyMonkey.

**3.3 User conduct.** In connection with your use of Wufoo, and without limiting any of your other obligations under these Wufoo Terms, you will not use any manual or automated software, devices, or other processes to “screen scrape” any web pages contained in the Wufoo website.

**3.4 Form Content Policy.** The Survey Content Policy also applies to forms created in Wufoo and your use of Wufoo. References to surveys in the Survey Content Policy are to be read as references to forms in the context of these Wufoo Terms. In order to give you the best experience, we and our third party partners may use cookies and similar technologies, for example, to analyze usage and optimize our sites and services, personalize content, tailor and measure our marketing and to keep the site secure. ## **4. Intellectual Property**

**4.1 Form Gallery.** In the course of using the Wufoo website, you may create certain templates, graphics or form documents (collectively, the “Form Content”) and load or post such documents into the Wufoo form gallery (“Form Gallery”) for other users. By making such Form Content available on the Form Gallery, you grant to SurveyMonkey a worldwide, irrevocable, perpetual, royalty-free, transferable and sub-licensable, non-exclusive right to use, copy, modify, distribute, display, perform, create derivative works and exploit that Form Content in connection with SurveyMonkey’s operation of Wufoo.

## **5. Cancellation And Termination**

**5.1 How to cancel your Wufoo account.** You are responsible for properly canceling your Wufoo account. An email or phone request to cancel your Wufoo account will not result in cancellation. You can cancel your Wufoo account at any time through your account management page. Your account management page provides a simple “no questions asked” cancellation mechanism. Any cancellation of your Wufoo account will result in the deactivation or deletion of your account or your access to your account, and the forfeiture of all data stored in your account. Account cancellations are confirmed immediately and you will not be charged again for that Wufoo Subscription unless you purchase a new Wufoo Subscription. You will not be provided any refunds for unused time in your billing cycle.

**5.2 Termination.** SurveyMonkey may terminate any free Wufoo accounts that do not receive a form submission for 6 months or where the accounts are not accessed for 6 months. SurveyMonkey may suspend or terminate your Wufoo account if you breach these Wufoo Terms or your bandwidth usage significantly exceeds the average bandwidth of other Wufoo users (as determined by SurveyMonkey in its sole discretion). In each such case SurveyMonkey may refuse to provide you any current or future use of Wufoo, or any other services provided by SurveyMonkey.

Want to know why Wufoo is the best online form builder? When you design a form with Wufoo, it automatically builds the database, backend, and scripts needed to make collecting and understanding your data easy, fast, and fun. Because we host everything, all you need is a browser, an Internet connection, and a few minutes to build a form and start using it right away. At Wufoo, we believe forms are the starting point for building anything useful on the web. Basically, they're the most efficient mechanisms for collecting data from people. The problem is sometimes creating an online form isn't very efficient. The process of creating a form and all the database structures and scripts necessary to make it work (not to mention useful) is a really tedious process that makes what should be a simple task (collecting and understanding information) not really worth the time, effort, or cost of the endeavor. The entire process could take you or your IT person days, if not weeks. With Wufoo, you can skip all the hard stuff (because it does it all for you) and start getting things done.
